

SENATOR DE CAMP: The actual legal situation is that it gives the city of Milligan, not specifically, but cities, the authority. They would then pass a statute I assume and set up a lottery with the money going into a non-profit organization or some such purpose, such as a swimming pool that Senator Maresh suggested.

SENATOR KEYES: I have only found three. One is the bucket bill, one is bingo, and the other is horse racing and when you go beyond that, I was just wondering what it is. I have never been able to find it and if you knew where it is I would appreciate it because I have been searching and haven't found it.

SENATOR DE CAMP: I'll have it for you before you vote the second time favorably on this. Just get it through the first time.

SPEAKER: Senator Nore are you requesting the floor?

SENATOR NORE: Mr. Speaker, Senator DeCamp, I would like to ask you a question. Is it true that the state lottery has actually been used by organized crime to enhance a numbers racket. Now here is how they do it. They sell there tickets for half price. Is that true?

SENATOR DE CAMP: Senator Nore you bring up a good point that we should all be aware of. That is that organized crime will step into anything. Take advantage of any situation. One of the latest things that organized crime is stepping into is agriculture, which possibly you are familiar with. They are taking the money that is obtained in gambling, prostitution and other things and funneling it through legitimate or some other legitimate lending institution and putting it into laundries, farms and this type of thing. It does not surprise me if they might not also try to take advantage of this situation. I'm sure that it would not be more than anything else.

SENATOR NORE: You do a pretty good job of playing ring around the rosy on this thing.

SENATOR DE CAMP: I tried to give you a very broad answer which answered your question sir.

SPEAKER: Alright are you ready for the question? Senator DeCamp has closed. The question is, shall the DeCamp amendment be adopted? All those in favor vote aye, those opposed vote no. Have you all voted? Clerk will record.

CLERK: 17 ayes, 21 nays Mr. President.

SPEAKER: Motion fails. The amendment is not adopted. Now Senator DeCamp what will you do with the bill.
